

EDEN CAMP

MODERN HISTORY THEME MUSEUM

Eden Camp Modern History Theme Museum is a valuable educational resource which brings history to life for pupils from KS2 onwards and meets the requirements of the National Curriculum in all subjects.

Here is all you need to know about your visit:

Accessibility

Our wheelchair friendly site is mostly flat with ramps in place where needed. Wheelchairs (self-propelled) are available to borrow from Reception.

Braille sheets available on request.

Our exhibitions offer a multi-sensory experience and, in some circumstances, a 'hands on' display can be organised for individuals and small groups. Please note, some of our exhibitions utilise flashing/strobe lights and smoke effects.

Please contact us if you require more information.

Facilities

Toilet facilities (including dedicated disabled) and access to our First Aid Room (with bench) can be made available on request.

Ample onsite free coach parking.

Mess huts are allocated on booking for 30 min slots for groups to eat packed lunches. Alternatively, we have a set menu available in our Café and plenty of outdoor seating.

Puppet Show

A 15 min (approx) puppet show is included in a visit for pupils to enjoy a sing-a-long with the stars of the 1940s. Time slot booked on arrival at the museum.

Gift Shop

Our shop has gifts and souvenirs to suit all budgets. If you don't wish to visit the gift shop, goody bags can be made in advance and to a budget.

Junior Assault Course

Our wooden, outdoor play area for under 12s to explore. With towers, escape tunnels, slides and other obstacles, it's great for burning off energy before the coach journey home. Assault course may be closed during periods of wet or damp weather. We have also developed a brand new junior play area for under 5s which is suitable for reception classes.

Teaching Resources

More detailed information on the benefits of a visit to the museum for a range of ages and abilities and how it relates to all aspects of the curriculum is available in our teaching resource pack.

The Eden Camp Teaching Resource Pack has been designed to lighten the load on visiting group leaders, making a visit as easy and rewarding as possible.

The pack includes a wealth of background information, pre and post visit teaching ideas and a hut by hut question sheet to be completed on the day of your visit. Now available in digital format (pdf) - please call for details.

Our minimum adult to child ratio is 1:10.

For example: A class of 40 children would require a minimum of 4 supervising adults (1:10)
